

Family Connections Portage County Presents:

# A Parenting Support Group

## Separated Together

A support group for co-parenting

Stevens Point FRC  
Fourth Tuesday Monthly  
6-7:30 PM

- 50% of children experience the divorce of their parents before they reach their 18th birthday.
- The number of single parents who have never been married is on the rise.

This group, provides the opportunity for you to learn strategies of co-parenting, establish individual family expectations, and maintain a strong relationship with your child.

Participants **can join the group at anytime; BUT registration is required. Please register at least two days before group.**

**Free childcare is available if registered.**
